## PREFACE.

In presenting to the citizens of Lowell a Directory for the ensuing year, the Compiler will only remark that he has performed his duty as well and as faithfully as his circumstances and ability would permit. He is aware that a more perfect work might have been completed in the same space of time, with a larger number of hands employed in the execution of the task. He is also aware that the Compilation of a *perfect* Directory of Lowell is impossible, at least so long as so large a share of our population are perpetually changing their places of residence. We can only say, our task is done; we wish it was better done; but all, that our time and our talents would permit us to do, we have done, to render our little work acceptable and useful to the public.

LOWELL, 1847.

## ABBREVIATIONS.

B. for Building,  
Bl. for Block,  
bds. for Boards,  
cor. for Corner,  
corp. for Corporation,  
Coun. for Counsellor,

ct. for Court,  
Mass. for Massachusetts,  
pl. for Place,  
sq. for Square,  
st. for Street.

The abbreviations, corp. and st. are only used when necessary to distinguish them from each other. When the name of a Corporation immediately follows a person's name, or when the name of a street immediately follows the letter h. they can be readily understood as being the *place* of the person's business, and the *street* in which he or she resides.

## HIGH SALARIES.

The highest salary given in England is to the Lord High Chancellor (Lord Cottenham), being £14,000, or nearly seventy thousand United States dollars, and the largest salary among the Judiciary is to Lord Denman, Chief Justice of the Court of Queen's Bench, £10,000, while the lowest receives a salary greater than the President of the United States viz; £5,500. Sir E. B. Sugden, of the Irish Court of Chancery, receives £8000, (\$40,000) while the Chief Justice of the United States Supreme Court, who probably undergoes full as much mental labor, has only \$5000.—*Boston Traveller.*

*Slander without Words.*—There may be calumny in an expression of the countenance; in a hint or innuendo; in an altered course of conduct; in not doing what you have been wont to do, staying away from a neighbor's house, or withholding some accustomed civility. You may both give pain to the heart of your brother and awaken strong prejudice against him, by a lofty air—a nod of the head, a turning out of the way, a glance of the eye, a shrug, a smile, or a frown.

*Modern Liberty of the Press.*—Constantly slandering private individuals for their honest opinions expressed in conversation upon the documents and measures of our public men.

## SAYINGS OF RANDOLPH.

The following sentiments are gleaned from the letters of the late Hon. John Randolph, to his nephew :—

## THE GENTLEMAN.

The character of the *real* gentleman is the most respectable among men. It consists not in plate, and equipage, and rich living, any more than in the disease which that mode of life engenders; but in *truth*, courtesy, bravery, generosity, and learning, which last, although not *essential* to it, yet does very much to adorn and illustrate the character of the *true* gentleman.

## TRUTH.

Lay down this as a principle, that *truth* is to the other

virtues, what vital air is to the human system. They cannot exist *at all*, without it; and as the body may live under many diseases, if supplied with pure air for its consumption, so may the character survive many defects, where there is a rigid attachment to truth. All *equivocation* is falsehood, which consists, not in using false words only, but in conveying false impressions, no matter how.

## LABOR.

Remember that *Labor* is necessary to excellence. This is an eternal truth, although vanity cannot be brought to believe, or indolence to heed it.

## VANITY AND INDIFFERENCE.

Self-conceit and indifference are unfriendly, in an equal degree, to the attainment of knowledge, or the formation

of an amiable character. The *former* is more offensive, but does not more completely mar all excellence than the *latter*, and it is truly deplorable that both flourish in Virginia as if it were their native soil. The vanity of excelling in pursuits, where excellence does not imply merit, has been the ruin of many a young man. I should, therefore, be under apprehensions for a young fellow, who danced uncommonly well, and expect more hereafter from his *heels* than from his *head*.

## SELF-EDUCATION.

We, all of us, have two educations; *one* which we receive from others, *another*, and the most valuable, which we give ourselves. It is this last which fixes our grade

Yes, my dear Theodore, your destiny is in your own hands; nor would all the professors and teachers in the world make you a wise and good man without your co-operation; and, if such you are determined to be, it is not the want of them that can prevent it.

When the New York grand canal was began, Mr Clinton, in a letter to Mr. Jefferson, asked his opinion of the undertaking. "Tis a noble project," replied Jefferson, "but you are a century too soon." A few years passed, and a second letter from the same gentleman announcing its completion, with a further query, "What do you think of it now? His reply was, "I now perceive that, in regard to your resources and energies, I committed an error of one century in my calculation."

**CHARTER OF THE CITY OF LOWELL.****AN ACT TO ESTABLISH THE CITY OF LOWELL.**

*Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same, as follows :—*

**SECTION 1.** The inhabitants of the town of Lowell, for all purposes, for which towns are by law incorporated in this Commonwealth, shall continue to be one body politic, under the style and denomination of the city of Lowell, and as such shall have, exercise and enjoy all the rights, immunities, powers and privileges, and shall be subject to all the duties and obligations, now incumbent upon, and appertaining to said town,—and the administration of all the fiscal, prudential and municipal concerns of the city, with the conduct and government thereof, shall be vested in one principal officer, to be styled the mayor, one select council, consisting of six persons, to be denominated the board of aldermen, and one council, to consist of twenty-four persons, to be denominated the common council, together with such other boards of officers as are hereinafter specified. The mayor, aldermen and common council, in their joint capacity, shall be denominated the city council, and shall not, excepting the mayor, receive any compensation for their services.

**SECT. 2.** The mayor, aldermen and common council, chosen as is hereinafter provided, shall enter on the duties of their offices on the first Monday of April in each year, and shall hold their offices for the term of one year from the time of their so entering on the duties thereof. And before entering on said duties, the mayor, aldermen and common council, shall be sworn to the faithful discharge of the same. And such oath may be administered to the mayor elect by any justice of the peace for the county of Middlesex. And such oath shall be administered to the aldermen, and common council, by the mayor, being himself first sworn as aforesaid, and a certificate of such oath having been taken shall be entered in the journal of the mayor and aldermen, and of the common council, by their respective clerks. And whenever, on examination, by the mayor and aldermen for the time being, of the returns of votes given for mayor at the meeting of the citizens, holden for the purpose of electing that officer last preceding the first Monday of April, in each year, no

person shall appear to have a majority of all the votes given for mayor, the mayor and aldermen by whom such examination is made, shall make a record of that fact, an attested copy of which, the city clerk shall read, on the first Monday of April in each year in the presence of the persons returned to serve as aldermen and common council: and thereupon the oath of office prescribed by law may be administered by any justice of the peace for the county of Middlesex. And the board of aldermen shall then proceed to elect a chairman, who shall perform the duties of mayor until the mayor be duly chosen, and the common council a president, in their respective chambers, and being respectively organized, shall proceed to business. And in case any person elected mayor of said city, shall refuse to accept said office, the same proceeding shall be had as hereinbefore directed, in respect to the organization of the board of aldermen and common council, in cases where there has been no choice of mayor; and the board of aldermen so organized, shall forthwith issue their warrant for a meeting of the citizens for the choice of mayor, at such time and place as they shall judge most convenient, and said meeting shall be organized, and the same proceedings had in all respects in relation to the choice of mayor, as are hereinafter directed in the twentieth section of this act. And in case of the unavoidable absence by sickness or otherwise, of the mayor elect, on the first Monday of April, in each year, the city government shall organize itself in the mode hereinbefore provided, and may proceed to business in the same manner as if the mayor were present.

SECT. 3. In case of the decease, inability, resignation or absence of the mayor, and the same being declared, and a vote passed by the aldermen and common council respectively, declaring such cause and the expediency of electing a mayor for the time being, to supply the vacancy thus occasioned, the aldermen and common council may meet in convention and elect a mayor to hold the office until such occasion be removed, or until a new election. And in case of the death or resignation of any member of the board of aldermen, the citizens may fill such vacancy at any regular meeting that may thereafter be convened for that purpose.

SECT. 4. The mayor and aldermen shall compose one board, and shall sit and act together as one body, at all meetings of which, the mayor, if present, shall preside,

but in his absence, the board may elect a chairman, for the time being; and said board, together with the common council in convention, shall choose a clerk to be denominated the city clerk, who shall hold his office for the term of one year, and until another person be chosen and qualified to succeed him, removable however at the pleasure of the mayor and aldermen. Before entering on the duties of his office, the clerk shall be sworn to the faithful discharge of the same; and shall keep a journal of the acts and proceedings of said board, sign all warrants issued by them, and do such other acts in his capacity as may lawfully and reasonably be required of him; and deliver over all journals, books, papers and documents entrusted to him, as such clerk, to his successor in office, immediately upon such successor being chosen and qualified as aforesaid, or whenever he may be thereto required by the mayor and aldermen. And the city clerk thus qualified, shall have all the powers, and perform all the duties, now by law belonging to the town clerk of the town of Lowell, as fully as if the same were particularly enumerated, except in cases where it is otherwise expressly provided.

SECT. 5. The persons chosen and qualified as members of the common council of the city, shall sit and act together as a separate body, distinct from that of the mayor and aldermen, except in those cases in which the two bodies are to meet in convention; and the council may from time to time choose one of their own members to preside over their deliberations, and preserve order therein, and also to choose a clerk, who shall be under oath faithfully to discharge the duties of his office, who shall hold said office, during the pleasure of the council, and who shall attend the council, when the same is in session, keep a journal of its acts, votes and proceedings, and perform such other services in said capacity as the council may require. All sittings of the common council shall be public; also all sittings of the mayor and aldermen when they are not engaged in executive business. Four members of the board of aldermen, and fifteen\* of the common council shall constitute a quorum for the transaction of business. And each of the persons chosen as a member of the common council shall, within two days after his election, be furnished with a certificate

\* By amendment to city charter, sec. 1, thirteen members of the common council constitute a quorum.

thereof, signed by a majority of the officers presiding at such election, which certificate shall be presumptive evidence of the title of such person to a seat in the common council; but the council however shall have the authority to decide ultimately upon all questions relating to the qualifications, elections and returns of its members.

SECT. 6. The mayor of the city, shall be the chief executive officer of said corporation, and shall be compensated for his services by a salary, to be fixed by the board of aldermen and common council in city council convened, payable at stated periods; which salary shall not exceed the sum of fifteen hundred dollars annually, and he shall receive no other compensation or emolument whatever; and no regulations enlarging or diminishing such compensation, shall be made, to take effect until the expiration of the year, for which the mayor, then in office, shall have been elected. And the mayor shall be vigilant and active at all times, in causing the laws for the government of said city to be duly executed and put in force; shall inspect the conduct of all subordinate officers in the government thereof, and as far as in his power, cause all negligence, carelessness, and violation of duty, to be duly prosecuted and punished. Whenever in his judgment the good of the city may require it, he shall summon meetings of the board of aldermen and common council, or either of them, although the meeting of said boards, or either of them, may stand adjourned to a more distant day, and perform such other duties as the city council may legally and reasonably require. And the mayor from time to time shall communicate to both branches of the city council, all such information, and recommend all such measures as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort and ornament of the city.

SECT 7. The administration of police, the executive powers of the city with all the powers heretofore vested in the selectmen and overseers\* of the poor of the town of Lowell, are hereby vested in the mayor and aldermen, as fully as if the same were herein enumerated, who shall be ex-officio members of the school committee. The mayor and aldermen may also grant licenses to inn-holders, common victuallers and retailers, within the city,

\* By the amendment to the charter, sec. 2, the powers and duties of overseers of the poor are vested in a special board, consisting of the mayor, two members of the board of aldermen and six members of the common council.

in all cases wherein the county commissioners for the county of Middlesex, on the recommendation of the selectmen of Lowell, have heretofore been authorized to grant such licenses; and may appoint annually such a number of persons as constables for the city, and from time to time such special constables as the public service may require; all of whom shall be removable at the pleasure of the mayor and aldermen; and the constables so appointed shall have the same powers as are by law vested in constables chosen by the towns in this Commonwealth. And the mayor and aldermen may cause the public streets of the city to be lighted, and for that purpose may set up and construct lamps, gas pipes, or other apparatus, such as the public convenience or necessity may require.

SECT. 8. All other powers now by law vested in the town of Lowell, or in the inhabitants thereof, as a municipal corporation, shall be, and hereby are vested in the mayor, aldermen and common council of the city to be exercised by concurrent vote, each board having a negative upon the other; especially, they may make all such needful and salutary by-laws, as towns by the laws of this Commonwealth have power to make, and annex penalties, not exceeding twenty dollars, for the breach thereof, which by-laws shall take effect, and be in force, from and after the times therein respectively limited, without the sanction or confirmation of any court or other authority whatever: *Provided*, that such by-laws shall not be repugnant to the laws of this Commonwealth; and shall be liable to be annulled by the legislature thereof. The city council from time to time may lay and assess taxes for which towns are by law required or authorized to assess or grant money, and also for all purposes necessary for carrying into effect the powers conferred by this act: *provided* however that, in the assessment and apportionment of such taxes, the same rules and regulations shall be observed, as are now established by the laws of this Commonwealth, or may hereafter be enacted, relative to the assessment and apportionment of town taxes. The city council may provide for the assessment and collection of such taxes, make appropriations of all public moneys, and provide for the disbursement thereof, and take suitable measures to ensure a just and prompt account thereof, and for these purposes may either elect such assessors and assistant assessors as may be needful, or

provide for the appointment or election of the same, or any of them, by the mayor and aldermen, or by the citizens as may be most conducive to the public good, and shall also require of all persons entrusted with the collection, custody or disbursement of public moneys, such bonds with such conditions and such sureties as the case may require.

SECT. 9. The city council may provide for the appointment or election of all officers necessary for the good government of the city, not otherwise provided for; prescribe their duties and fix their compensation; cause any street or streets, public places or squares in the city to be graded, paved, macadamized or repaired; and cause permanent sidewalks to be constructed on the same in front of buildings at the expense of the owners thereof, and temporary ones in front of vacant lands at the expense of the abutters or of the city; which sidewalks, when accepted by said council, shall be afterwards maintained at the expense of the city, whenever the convenience of its inhabitants may require the same, and cause drains and common sewers to be laid down through any streets or private lands, paying the owners thereof such damage as they may sustain thereby; and require all persons to pay a reasonable sum for the privilege of opening any drain into said public drain or common sewer; and lay out, make and continue or discontinue all city and town ways or streets within the limits of the city; and widen or straighten county ways, within the city, in such manner as the public convenience may require; and any party aggrieved by such building of sidewalks, laying of drains or common sewers, and alterations of ways, shall have the same remedies as are provided by law for the doings of county commissioners. The city council may also make and establish necessary or fit rules and by-laws for the inspection, survey, measurement and sale of timber,\* brick, wood, coal and bark for fuel, brought into the city for sale, and for the regulation of carriages in the streets of the city, appoint certain suitable places in the streets and squares of the city, as public stands for wagons, carts, sleds and carriages of every description, and ordain fit penalties, not exceeding twenty dollars, for the breach of any of the ordinances, rules and regulations so made and established, to be recovered upon complaint of any officer or other inhabitant of the city,

\* See amendment to city charter, sec. 5.

before the police court therein, for the use of the city. The city council shall also have the care and superintendence of the public buildings, and the care, custody, and management of all the property of the city, with power to lease or sell the same, and to purchase property in the name and for the use of the city, whenever its interest or convenience may require. The city council may by a committee, by them appointed, or by instructions to any officer having charge of the streets, appropriate, set off and reserve as sidewalks, such parts of any streets of the city, as may be necessary for the safety, convenience and accommodation of foot passengers, and permit or direct posts of stone or wood, or trees, if necessary, to be placed along the edge of said sidewalks to protect the same, or the passengers travelling thereon.

SECT. 10. All the powers and authority, invested in the boards of health of towns in this Commonwealth, are hereby transferred to, and vested in the city council, to be carried into execution by the appointment of health commissioners; or in such other manner as the health and cleanliness of the city may require, subject to such alterations as the legislature may from time to time adopt.

SECT. 11. The mayor, aldermen and common council, shall, as soon as convenient, after their annual organization, meet in convention, and elect a treasurer of the city.

SECT. 12. The persons elected to constitute the school committee, shall enter upon their duties on the first Monday of April in each year, and shall hold their offices for the term of one year from the time of their so entering upon said duties; and they shall have the same powers and perform the same duties as are by law vested in and required of the school committees of towns and school districts in this Commonwealth.

SECT. 13. All boards and officers, acting under the authority of the city, and entrusted with the receipt and expenditure of public money, shall be accountable therefor to the city council, in such manner as they may direct. And the city council shall publish and distribute, annually, for the information of the citizens, a particular statement of the receipts and expenditures of all public moneys, and a particular statement of city property, five days at least, prior to the first Monday in February.

SECT. 14. In all cases in which appointments to office are directed to be made by the mayor and aldermen, the mayor shall have exclusive power of nomination; such

nomination, however, being subject to be confirmed or rejected by the board of aldermen: *Provided*, however, that no person shall be eligible to any office, the salary of which is payable out of the city treasury, who at the time of his appointment, shall be a member of the city council.

SECT. 15. The two branches of the city council, on the second Monday of October,\* in each year, shall meet in convention, and determine the number of Representatives which it may be expedient for the city to elect to the General Court in such year, and shall publish such determination, which shall be conclusive; and the number thus determined shall be specified in the warrant calling the meeting for such election of Representatives.

SECT. 16. The inhabitants of the city qualified as aforesaid, may, at any meeting legally called for that purpose, order a division of the town into six wards, in such manner, as to include an equal number of inhabitants in each ward, as nearly as conveniently may be, consistently with well defined limits to each ward, including in such computation of numbers of inhabitants persons of all descriptions, and taking the last census made under the authority of the United States, this Commonwealth or of the city, as a basis of computation: *Provided*, however, that not more than two meetings for that purpose shall be holden in any one year. And after said division into wards, the same shall not be altered, excepting by the city council once in five years, in such manner as to preserve as nearly as may be, an equal number of inhabitants in each ward.

SECT. 17. Prior to every election of city officers, or of any officer or officers under the government of the United States, or this Commonwealth, the mayor and aldermen shall make out lists of all the citizens of each ward, qualified to vote in such election, in the manner in which selectmen and assessors of towns are required to make out similar lists of voters; and for that purpose they shall have free access to the assessors' books and lists, and be entitled to the aid and assistance of all assessors, assistant assessors and other officers of the city. And the mayor and aldermen shall deliver such lists of voters in each ward, to be used by the warden and inspectors thereof, at such election; and no person shall be entitled to vote at such election, whose name is not borne on the list; and

\* By amendment to the city charter, sec. 7, the convention may be held any time during the month of October.

to prevent all frauds and mistakes in such election, the officers presiding thereat shall take care that no person shall vote at such election, whose name is not borne on the list of voters, and shall cause a mark to be placed against the name of each voter on such list, at the time of giving his vote.

SECT. 18. At the first meeting of the inhabitants of the city for election of officers in their several wards, the persons authorized to issue a warrant for said meeting, may designate some suitable person to preside at each ward meeting until the clerk of the ward shall be chosen and qualified; and the person so presiding shall receive, sort, count and declare the votes given for such clerk in open ward meeting, and the person having a majority of all the votes given, shall be declared elected, and such presiding officer shall record the state of the votes in a book to be kept by the ward for that purpose.

SECT. 19. On the last Monday of February\* in each year, the citizens of the city, qualified to vote in city affairs, shall meet together within their respective wards, at such time and place as the mayor and aldermen may in their warrant direct, and the citizens shall then choose by ballot one warden and one clerk, who shall hold their offices for one year, or until others shall be appointed in their stead. And such wardens shall have the same powers as moderators of town meetings. And such clerks shall make a fair and true record, and keep an exact journal of all the acts and votes of the citizens at such ward meetings; and deliver over such records and journals, together with all other documents and papers held by him, in his said capacity, to his successor in office. And if at the opening of the annual meeting, the warden of such ward shall not be present, the clerk of such ward shall call the citizens to order and preside at such meeting until a warden shall be chosen by ballot. And if at any other meeting, the warden shall be absent, the clerk in such case shall so preside until a moderator or warden pro tempore shall be chosen; which may be by nomination and vote, if the clerk so direct. At such meeting also, three inspectors of elections shall be chosen for such ward, being resident therein, by ballot, to hold their offices for one year. And the warden and inspectors in each ward shall receive, sort, count and declare all votes at all elections

\* By amendment to city charter, section 6, the above meeting is to be held on the first Monday in March.

within said ward. And the warden, clerk and inspectors so chosen, shall respectively be under oath faithfully and impartially to discharge their several duties relative to all elections; which oath may be administered by the clerk of such ward to the warden, and by the latter to the clerk and inspectors, or by any justice of the peace of the county of Middlesex; and certificates of such oaths having been administered shall be entered in the record or journal to be kept by the clerk of such ward. And if at any meeting the clerk should be absent, a clerk pro tempore shall be chosen by ballot.

SECT. 20. The inhabitants of the city, qualified to vote in city affairs, at their respective ward meetings, to be held on the first Monday of March in each year, shall be called upon to give in their votes for one person to be the mayor, six persons to constitute the board of aldermen, and four persons, being inhabitants of said ward, to be members of the common council, and one person, being also an inhabitant of said ward, to be a member of the school committee; and all the votes so given in each ward, being counted and declared by the warden and inspectors of elections, shall be recorded at large by the clerk in open ward meeting; and in making such declaration and record, the whole number of votes given in shall be distinctly stated, together with the name of every person voted for, and the number of votes given for each person; such numbers to be expressed in words at length, and a transcript of such record, certified and authenticated by the warden, clerk and a majority of inspectors of elections for each ward shall be forthwith transmitted or delivered by such ward clerk to the clerk of the city. And the city clerk shall forthwith enter such returns, or a plain and intelligible abstract of them, as they are successively received, upon the journal of the proceedings of the mayor and aldermen, or some other book to be kept for that purpose. And the mayor and aldermen shall meet together within two days after such election, and examine and compare all the said returns, and ascertain what persons shall have been elected to the offices aforesaid, and give notice in writing to all persons elected to the several offices aforesaid, and also make the same known to the inhabitants of the city. But if on such examination, said elections shall not be complete, the mayor and aldermen shall issue their warrants for meetings in such wards as shall have failed to complete their elec-

tions; and the same proceedings shall be had in all respects as are hereinbefore directed, until such persons shall be chosen by a majority of all the voters voting in such elections. *Provided*, however, that until the city be divided into wards, according to the sixteenth section of this act, the inhabitants of the city shall meet on the first Monday of March annually, at such time and place as the mayor and aldermen shall, by their warrant calling such meeting, appoint, and the city clerk presiding, shall then and there choose a moderator to preside over said meeting, who shall have the power and authority given to moderators of town meetings by the laws of this Commonwealth, and shall then and there vote by ballot for one person to be mayor, six persons to be aldermen, twenty-four persons to be members of the common council, and six persons to be members of the school committee for the city. And the moderator and aldermen, or a majority of them, shall receive, sort, examine and count the votes at such meeting given in for said mayor, aldermen, common council and school committee, and then the same shall be declared by the moderator, and recorded by the city clerk in open meeting, in the journal of the proceedings of the mayor and aldermen, or some other book kept for that purpose; and in making such declaration and record, the whole number of votes shall be distinctly stated, together with the name of each person voted for, and the number of votes given for each person respectively. And in case said elections shall not be completed at the first balloting, said meeting shall adjourn for not less than one day, nor more than four days; and at such adjourned meeting the balloting shall be renewed for completing the same, and the same proceedings thereupon had as hereinbefore directed; and such adjournment and balloting shall be renewed from time to time, if necessary, until persons are elected to fill all said offices, by a majority of the voters voting at such election. And the mayor and aldermen shall ascertain by inspection of said record, what persons are so elected, and give notice thereof in writing to every person having such majority, within two days after such election. *Provided* further, that if after three ballotings, there be no choice of mayor, then a mayor shall be chosen from the two persons having the highest number of votes for that office, by joint ballot of the board of aldermen and common council in city council assembled.

SECT. 21. For the purpose of organizing the system of government hereby established, and putting the same into operation in the first instance, the selectmen of the town of Lowell for the time being, shall seasonably before the first Monday of May next, issue their warrant for calling a meeting of the inhabitants of said town qualified to vote in town affairs, at such time and place as they shall think expedient, for the purpose of giving in their votes for a mayor, six aldermen, twenty-four members of the common council and six members of the school committee. And the votes so given in shall be received, sorted, counted, examined and declared by the selectmen, and recorded by the town clerk. And in case said election shall not be completed at the first balloting, the balloting may be renewed, and the selectmen may adjourn the meeting from time to time, if necessary, for not less than one day nor more than four days, at any one adjournment, until said elections shall be completed. And the selectmen shall give notice in writing within two days after such election, to the persons elected by a majority of the voters voting at such meeting. And at such meetings, all the votes given in, being sorted, counted and declared by the warden and inspectors of elections, shall be recorded at large in open ward meeting by the clerk, and in making such declaration and record, the whole number of votes given in shall be distinctly stated, together with the name of every person voted for, and the number of votes given for each person: such numbers to be expressed in words at length. And a transcript of such record certified and authenticated by the warden, clerk and a majority of inspectors of elections for each ward, shall forthwith be transmitted or delivered by such ward

clerk to the city clerk. And the city clerk shall enter such returns, or a plain and intelligible abstract of them, as they are successively received, upon the journal of the proceedings of the mayor and aldermen, or some other book to be kept for that purpose. And the mayor and aldermen shall meet together within two days after every such election, and examine and compare all such returns, and thereupon make out a certificate of the result of such election, to be signed by a majority of the board of aldermen, and also by the city clerk, which shall be transmitted, delivered or returned, in the same manner as similar returns are by law required to be made by the selectmen of towns; and such certificates and returns shall have the same force and effect in all respects, as like returns of similar elections made by the selectmen of towns. And in all elections for representatives to the General Court, in case the whole number proposed to be elected shall not be chosen by a majority of the votes legally returned, the same proceedings shall be had as is required by the laws of this Commonwealth in case of towns failing to elect their representatives. *Provided*, however, that until such time as the city shall be divided into wards according to the sixteenth section of this act, the inhabitants of said city, qualified as in this section aforesaid, at all the elections in this section abovementioned, shall meet on the days fixed by law for those elections respectively, at such time and place as the mayor and aldermen for the time being, may by their warrant calling such meeting, appoint; and the same proceedings in all respects shall be had, as are by law provided in the case of town meetings for said elections. And the like proceedings in all respects shall be had in regard to making out, authenticating and returning a certificate of the result of each of such elections as are above in this section provided.

SECT. 23. General meetings of the citizens qualified to vote in city affairs, may from time to time be held to consult upon the public good, to give instructions to their representatives, and to take all lawful measures to obtain a redress of grievances according to the rights secured to the people by the constitution of this Commonwealth. And such meetings shall be duly warned by the mayor and aldermen, upon the requisition of fifty qualified voters of the city; and in case the mayor and aldermen refuse to call a meeting, any justice of the peace of the county,

upon the same requisition, is authorized, if he shall think proper, to call such meeting by a warrant under his hand, directed to the constables of the city, if any there be, and otherwise to any of the persons applying therefor, directing them to summon the inhabitants qualified to vote in city affairs, to assemble at the time and place, and for the purpose expressed in said warrant.

SECT. 24. The annual election of officers of the town of Lowell, in the months of March and April, in the year eighteen hundred and thirty-six, shall be suspended; and all officers now in office shall hold their places until this act shall go into operation.

SECT. 25. All officers of the town of Lowell having the care and custody of any records, papers or property, shall deliver the same to the city clerk, within two days after his entering upon the duties of his office.
